Special Reports:

Lord's Of Dirt: March 14 & 15th Boulder City. Race went well except for the altercation. The MX results are 9 days late. They are being worked on.

Yucca Chuckers: March 28th good race. All went well except for the cheaters. Only minor injuries.

Dark Side GP: April 11th Rainbow Canyon. Course is ready. Should be fun they have changed the course it will have less water. LOD cancelled the MX for Sunday. There are some rooms still available.

SNDR: April 18th Mail Summit. The course will be 106 miles with high speed areas also tight and technical. Still waiting on permit to get here. May not have enough club members to work the course.

BCMx: April 25th Boulder city. Not present to discuss.

Mike Payne OHV registration: The bill is coming out of committee tomorrow. It is going to go before the legislature Friday. 3 important things happened last week. First one was no License plate. The DMV had been pushing for a license plate. The other thing is the DMV has backed off on fees. \$20 a year membership you will have reciprocity in CA, ID, WY and Utah. The other big thing that happened is that MRAN has a seat on the board. We originally had been lumped in with SNORE and SCORE as off-road racers. There will be 11 people on the board made up off off-road, jeep riders, quads, rhino's and also a trail rider. It will be voluntary for the first year. Titling fee will be ½ of a percent of the msrp. You will actually get a title. You will not have to go the DMV; the dealer will handle all of this for you. The money should go the trails and maintenance etc.

Unfinished business:

2010 Classes/Division: Dave Wilson provided some input. **CLUBS NEED TO GET INPUT AND HAVE AT THE NEXT MEETING!** Maybe put a questionnaire at sign up's for member input.

2010 Race Calendar: Clubs need to get dates together by next meeting

Web Site: We have gotten several quotes from different companies to redesign the site. After discussing the committee decided to go with Jenifer Web design. Motion to accept Jennifer Web design was made by Sean McDaniel and seconded by Mike Payne. 0 Oppose.

New Business:

BITD wants to also add a race to the schedule for October 16th in the Primm area. There will be more info at next meeting.

New officer position: There needs to be a Public Land Officer position added. This person needs to keep up and follow the BLM data. Motion to add officer position made by Sean McDaniel and seconded by Jason St John. Sean McDaniel nominated Mike Payne. Mike Payne accepted. Vote to oppose 0. Motion carries.

Rob Patterson has asked Jeff McMeans to speak on his behalf. He is not satisfied with the results of the special meeting regarding the fight at LOD event. He wants Jayme Walls completely suspended for the desert and GP season. Rob to appeal and the Walls family will be notified to attend next meeting. Tabled until next meeting.

There is a BLM meeting on 4/7/09 if anybody wants to attend.

Volunteer reimbursement: The officers that are attending events to sell cards will be reimbursed for their gas money. Motion to approve made by Jay Livingston and seconded by Bryan Schierberl. Vote to oppose 0. Motion carries.

Proposed rule change: Gary Dion present to discuss changing the lap requirement for desert races. He wants to make the change that you get scored on the laps completed and not DNF for going out on a lap and not completing it. Tabled until next meeting to get club input.

Motion to adjourn was made by Jeff McMeans and was seconded by Rhett Ogden at 8:59pm.
