Approve Minutes: There is one error on the November minutes. Kevin Davies was nominated as mini ref not big bike ref. Jeff McMeans motioned to approve and was seconded by Jay Livingston.

President's report: He went to the Lincoln County meeting which was part of the new permitting process they are trying to get off the ground. This should be pretty basic except you have to get a map and fill out a new one page form since they will not accept the BLM form. It should not be too bad. I will get with all the clubs that are racing in the Lincoln County area and put it all in a package and send it to them. He did not get selected for the BLM committee they chose a bicycle person. They did ask for him to be on a subcommittee. Permits are due for the 2010 races. As we all know we lost a member Dave Dunn. Dave was one of the members that started the 100% club. We would like to change the name of the award to the Dave Dunn 100% club. It would be a great way to memorialize him and also have 2 plaques made for his daughters.

Vice President Report: Not happy that they did not pick an OHV person for the committee.

Treasurer Report: Paid for the LOD trophies and insurance. He needs the dates for 2010 for the insurance. Also the list of officers is due with the county. He has been working on the e commerce part of the site. That will allow members to pay for membership online. They will still have to bring the receipt to the race to get there card and number. This should shorten the time in line. There is a small fee for this service. It is quick and easy. Maybe in the future we would like to also be able t pay for races on the site. It is through paypal and you do not need a paypal account. Motion to approve the report was made by Brian Schierberl and seconded by Troy Hunter.

Referee Report:

Big Bike ref Scott Glimp: Not present

Mini Ref Brian Shierberl: Nothing new to report.

GP Ref Sean McDaniel: SVMX GP sold 9 day cards.

Web Report by Scott Glimp: Not present, Jeff still working on the club pages. And the leader board on the main page is wrong. They are working to have that up for the 2010 season.

Public Lands Officer Mike Payne: Not present he had been spending a lot of time at the BLM office. There is a meeting on the 17th at 6:00pm the Jackrabbits will be attending all other members are encouraged to attend. It is at the office on the new seasonal requirements. It will be held at the Torrey pines location.

PR report by Kevin Davies: Nothing new to report.

Special Reports:

BCMX January 9th Boulder City, they are not present to discuss the race. Nicole is attending the Nellis Dunes meeting as a representative for MRAN.

Unfinished business:

2010 Classes/Division: The new names will be:

Lites will be distinguished by the letter "A" this was voted on by the competition committee. A motion was made by Jay Livingston and seconded by Jeff Landers. Vote 13 for and 5 oppose. Motion carries.

2-Stroke division will be distinguished by the letter "X"

4-Stroke division will be distinguished by the letter "T"

Lance Gilman has some other ideas as far as the division of these classes. This has already been voted on and covered in the last several meetings. The new divisions will stand.

The lords of dirt may add an event later in the year. They need to confirm dates and permits. To be announced later.

Open Mini protest from last meeting: This was brought up without the mini ref being present. This situation is interesting because there are 2 rules being broken. The rider could be DNF by not completing half as many laps as the leader. The club did not agree and the committee voted to DNF and override the club. But the protest was not filed correctly. It has to be filed within 7 days of the results being final and also put into writing according to the rule book. That was not done. So the committee should not have voted. Either decision is going to hurt one of the riders. After much discussion Jason St. John made a motion to overturn the vote and allow the rider to get his finish and was seconded by Jay Livingston. Vote to oppose 0. Motion carries.

New Business:

Quad Class: We need to think about adding a quad class. There have been many requests. This will be a 4 part series and run with the GP events. There will be trophies at the end of the year. They will be kept separate. Mini's may be added at a later date.
