MRAN Annual Release Instructions

I. Introduction

The MRAN Annual Release and Waiver meets all MRAN Release, Waiver, and Assumption of risk requirements for any type of MRAN Sanctioned event. When you have the MRAN Annual Release on file, MRAN does not require you to complete any additional MRAN waivers during event registration; this saves you and your event organizer time.

The MRAN Annual Release is valid for one calendar year from January 1 to December 31st. Upon validation, MRAN will issue you a Competition Card to be presented during registration. This will certify to the event organizer that you have a valid MRAN Annual Release on file. The MRAN Annual Release is valid for MRAN Sanctioned event registration purposes only. Event organizers may have additional entry and registration requirements.
